## FEATURES AND BENEFITS

- **Softshell Construction:** The laminated 4-way stretch nylon woven face fabric provides enhanced durability and protection against inclement weather. This ensures you stay comfortable and dry, no matter the conditions.
- **Touchscreen Capability:** Stay connected without compromising warmth. The capacitive touchscreen-capable leather-reinforced index finger and thumb allow you to use your devices seamlessly.
- **Enhanced Durability:** A leather palm patch offers added durability, ensuring your gloves last through tough tasks and rough conditions.
- **Convenient Drying:** The built-in leather pull tab with a carabiner loop makes it easy to hang your gloves to dry after use, keeping them in top condition for your next adventure.
- **Water-Repellent Coating:** The durable water-repellant coating keeps moisture at bay, so your hands stay dry even in wet environments.
- **Fleece Lined for Warmth:** Enjoy the cozy warmth of fleece lining that traps heat, keeping your hands toasty even when the temperature drops.
- **Maximum Dexterity:** The pre-curved construction allows for maximum dexterity, providing a natural fit and exceptional grip for all your outdoor activities.
