**EPA Reg. No. 92564-30**

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Spotted Lanternfly, measure distance around tree trunk or height of shrub to determine amount of granules. Measure & pour product in a circle 2 feet from tree trunk. For shrubs less than 3 feet tall, apply required amount of product evenly in a circle 1 foot from base of shrub. For container plants, evenly apply granules on top of potting soil and water thoroughly. Bring indoor plants outdoors before applying.**

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.
