

# ASSEMBLY AND INSTALLATION INSTRUCTIONS

L0011

**WARNING: Turn off the main power at circuit breaker before installing fixture.**  
**AVERTISSEMENT: Coupez la source d'alimentation principale au panneau central de disjoncteurs avant d'installer le luminaire.**

**NOTE: 1. Before installing, consult local electrical codes for wiring and grounding requirements.**  
**2. Read and save these instructions.**

1. Grasp cord and exit from base, pull carefully until any excess cord among parts is removed.
2. Thread the lower tube into the base and turn to tighten.  
Thread the middle tube into the lower tube and turn to tighten.  
Thread the upper tube into the middle tube and turn to tighten.  
Attach the socket to the upper tube until tightened.  
Attach the shade to the socket until tightened.
3. Install 1 X 100W medium base bulb (not included).  
**See replacement lamp label at socket area or packaging for maximum wattage allowed.**
4. Insert the plug into an electrical outlet. Turn on the lamp with the pull chains.  
**Note: As a safety feature, this plug will fit in a polarized electrical outlet only one way.**

### 1 Year Warranty

Vaxcel warrants all of our products against defects in workmanship and finishes for one year following the date of shipment.

*Exclusions: This warranty does not include the failure of products from extreme acts of nature; environmental conditions not suited for the products intended use; operation in temperatures outside of the range specified in the instruction manual; usage with improper power supply, power surges or dips. For coastal locations, some corrosion is considered normal for the environment.*

*Vaxcel reserves the right to repair, replace or issue a credit for any properly installed product, provided it is returned per RMA instruction. This warranty is limited to the cost of the product only and does not extend to transportation, installation or replacement costs.*
