Adcraft Cotton Candy Machine, 21" Dia. Stainless Steel Bowl, Stainless Steel Supply Drawer, In Pink

COT-21

Keep the cotton candy flowing effortlessly with the Adcraft Cotton Candy Machine with Stainless Steel Supply Drawer. The 21-inch diameter Stainless Steel Bowl produces two cones per minute meeting high customer demand at busy events, and the simple controls allow for easy production of delicious cotton candy at snack stands, festivals, parties, and more. This commercial cotton candy machine is belt-driven and works off 1030 Watts of power for high-volume operation, and the spinner head holds four ounces of floss sugar before it melts down into cotton candy, so you'll always have a ready supply.

Features and Construction

- Sturdy stainless steel spinning bowl and iron Q235 base provide lasting durability and easy cleaning
- 21-inch diameter Stainless Steel Bowl generates 2 cones per minute
- Stainless Steel Supply Drawer provides essential storage for high-volume events and easy transport
