

TUBERCULIN SYRINGES

ITEM 6937-6939

Dynarex Tuberculin Syringes are high-quality syringes designed to deliver small doses of medication effectively and precisely. Each disposable syringe features a sterile, stainless-steel needle with a double-beveled tip for improved patient comfort. The transparent barrel is clearly marked with bold-font numbering for accurate dosing and measurement.

- Designed to aid in delivering small doses of medication effectively and precisely
- Needle is securely attached to help prevent needle pop-off
- Removable plastic cap helps protect against accidental needlesticks
- Smooth-gliding plunger with low dead space promotes accurate medication administration
- Easy-to-read, clear barrel with large font gradations allow for increased precision
- Thin, double-beveled needle provides greater patient comfort
- Sterile, individually wrapped, and sealed for optimal hygiene
- Non-toxic and non-pyrogenic
- Not made with natural rubber latex
