TOY CARE INSTRUCTIONS

- Clean your toy before and after each use with Ann Summers Cleansing products. If this is not available wash the product with clean warm water and soap. Pat dry with a lint free towel.
- Do not use alcohol-based products as this may damage the surface of your toy.
- Always check the compatibility of your lube with your product.
- Do not use silicone-based lubrication with silicone product.
- Store your toy separately in its own box or in a protective case or sleeve if provided with the toy, as contact with plastic bags or other toys may cause damage to its surface. Different materials have different chemical properties and can react against each other and also damage your toy.
- Keep away from sources of extreme temperature such as direct sunlight or exposure to cold temperatures. This will prevent any adverse effects to the surface of your toy.

WE RECOMMEND LIBERAL USE OF ANN SUMMERS LUBRICANTS.

WARNING

- This product is not designed to be fully inserted.
- To avoid injury or aggravation of pre-existing conditions, this product should not be used on swollen or inflamed areas or lacerated skin.
- No medical claims are warranted or implied by use of this product.
- If you are unsure or pregnant – please consult a doctor before use.
- If you experience pain or discomfort, then discontinue use immediately.
