

LEATHER® M-PACT® FRAMER

IMPACT FRAMER GLOVES

Measure twice, cut once. Leather M-Pact® Framers work gloves are designed to protect professional carpenters with a functional fingerless design that delivers more dexterity when measuring, cutting and framing structures. The M-Pact® Framers frees your thumb, index and middle fingers so you can handle your arsenal of tools with precision and control. Flexible Thermoplastic Rubber (TPR) protects the back of your hands with EN 388 rated impact protection, and D30® palm padding reacts on impact to dissipate energy when you're in full swing.

FEATURES

- 1 Thermoplastic Rubber (TPR) creates a secure fit.
- 2 Form-fitting TrekDry® helps keep your hands cool and comfortable.
- 3 Fingerless design frees your thumb, index and middle finger to provide optimal control.
- 4 Thermoplastic Rubber (TPR) impact protection meets EN 4111XP impact standard.
- 5 Durahide™ performance leather palm provides extreme abrasion resistance.
- 6 D30® palm padding absorbs impact and vibration.
