

POLYWOOD®

Sustainable Outdoor Furniture

The POLYWOOD Difference

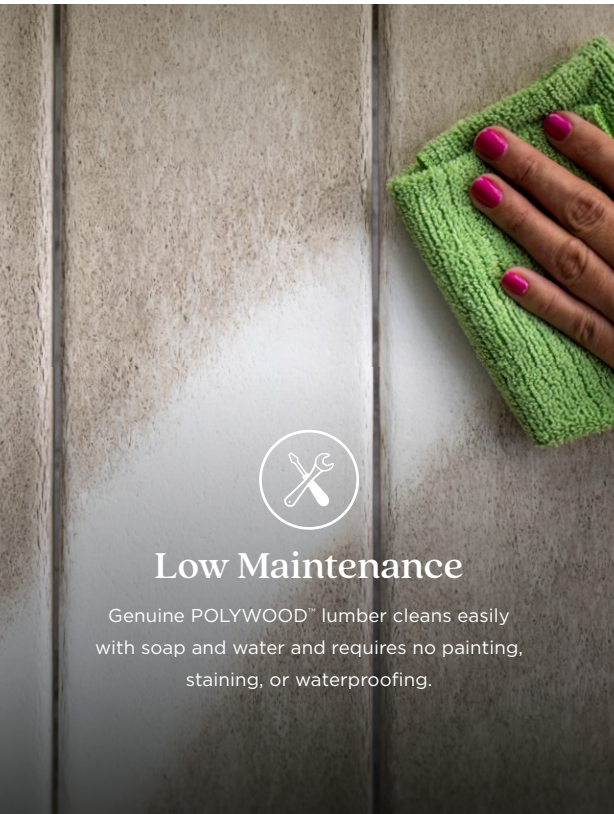

20-Year Warranty

Rest (and relax) assured: Our lumber is backed by a 20-year warranty to guarantee generations of enjoyment and endless peace of mind.

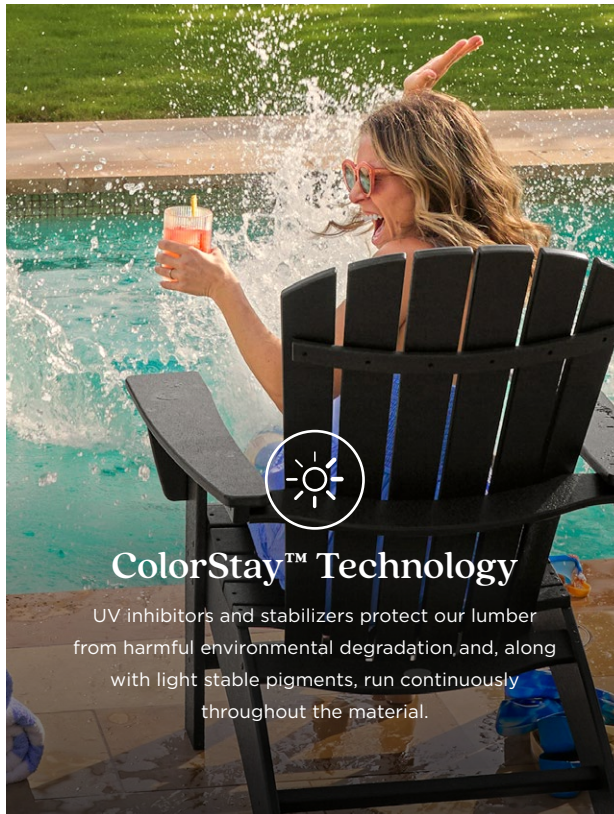

ClimateTuff™ Materials

Our proprietary lumber and weather-defying materials are extensively tested to endure heavy rain and snow, hot sun, strong winds, and salt air.

Low Maintenance

Genuine POLYWOOD™ lumber cleans easily with soap and water and requires no painting, staining, or waterproofing.

ColorStay™ Technology

UV inhibitors and stabilizers protect our lumber from harmful environmental degradation, and, along with light stable pigments, run continuously throughout the material.

R MARINE-GRADE RESIN

Our in-pool furniture is made from marine-grade resin, which is ultra-durable and highly resistant to weather, fading, and corrosion—ideal for many years of use on shallow swimming pool ledges.

SLING

100% woven vinyl-coated polyester material that's engineered for strength and dimensional stability; resists mildew, fading, and tearing.

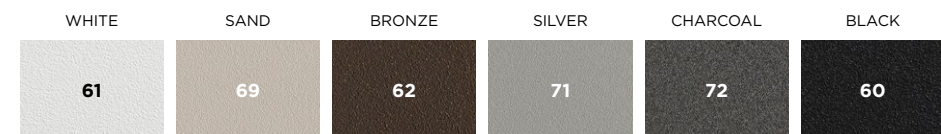

W ALL-WEATHER WICKER

Crafted from the same HDPE plastic as Genuine POLYWOOD™ lumber; highly resistant to stains, UV rays, and intense weather.

Al ALUMINUM

Inherently rustproof and highly resistant to corrosion; finished with a UV-stable powder coating.
