

Transform iPad® into an elegant stationary kiosk.

LUXE Kiosk is a permanent iPad kiosk installation that incorporates your favorite features of LUXE into a secured and non-removable solution.

LUXE Kiosk is made up of a thin, symmetrical, aluminum enclosure that protects iPad and grants you access to all key iPad functions.

The BaseStation allows iPad to charge in portrait or landscape and the articulating mount allows for adjustable viewing angles for customers and cashiers. Security features allow the BaseStation to be secured to a table with an integrated locking foot. And with an integrated USB cable, you can connect iPad to other devices like receipt printers or other Point of Sale hardware.

With its minimalist design and premium finishes, LUXE Kiosk blends iPad into the design of any space while allowing the iPad to stay charged and protected at all times for all of your kiosk needs.
