2021 ALTENI DI BRASSICA, LANGHE DOP

ABOUT THE WINERY

Located in Piedmont in northwestern Italy, the GAJA winery is widely considered to be one of the greatest estates in the world, producing coveted and collectible labels. The story of the GAJA Winery can be traced to a singular, founding purpose: to produce original wines with a sense of place which reflects the tradition and culture of those who made it. This philosophy has inspired five generations of impeccable winemaking. GAJA is a pioneer and guardian of tradition, a legacy that continues to reshape the standard for excellence in the world of winemaking today. Angelo Gaja was the first to produce single vineyard wines in Piedmont and revolutionized wine making practices in the region, introducing Bordeaux varietals and the use of barriques. GAJA has led Barbaresco to international acclaim and brought about a resurgence of Italian wines more broadly. Today, the GAJA Winery owns 240 acres of vineyards in the Barbaresco DOCG (Barbaresco and Treiso) and the Barolo DOCG (Serralunga d'Alba and La Morra).

ABOUT THE WINE

The 2021 vintage of Altene di Brassica is a classic style of Sauvignon Blanc from Langhe with notes of oyster shell, mountain herbs, white peach, and flint. With time in the glass, it opens to reveal more vibrant notes of sage, cedar, tomato leaf, and cardamom. The mouthfeel is fresh, long, and savoury with a medium-bodied style that ends with a hint of salinity.
