

2022 MONTEGRILLI NEBBIOLO LANGHE DOC

ABOUT THE WINERY

The Elvio Cogno winery sits on top of Bricco Ravera, a hill near Novello in the Langhe area of Piedmont, one of the eleven communes in which Barolo is produced. The cellar is housed in an 18th-century manor farm surrounded by 11 hectares of vineyards. The Cogno family has been making wine in the Langhe area for four generations. The values of history and traditions handed down by father Elvio are enhanced by the freshness and innovation introduced by his daughter Nadia and her husband Valter Fissore.

ABOUT THE WINE

Nebbiolo has always been one of the most beautiful grapes of the Langhe, able to express new nuances and emotions to those who cultivate and vinify it with respect. It is a meaningful gift and great ambassador of its land of origins. Montegrilli is born in the vineyards with the goal of becoming a genuine and focused wine, able to show the true personality of Nebbiolo grape. With this in mind, we produce a wine without any aging in wood in order to differentiate it clearly from Barolo, creating a product with great immediacy, freshness and drinkability.
