# BASALTO SCURO

VOLCANIC | LUXURIOUS | SOULFUL | CHIC

Characterized by its eternally chic, deep charcoal grey color and incredibly soft feel of the Super Honed finish, our Basalto Scuro collection is the darkest selection of Basalt yet, containing a very low degree of color variation for a harmonious and luxurious modern look.

## BASALTO SCURO

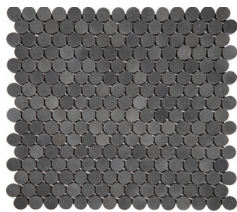

Basalt also is a versatile material, with the ability to be specified for interior and exterior application and both walls and floors. Born of hardened molten lava, it is a volcanic stone in the purest sense. It is also known as one of the most dense stones on earth. It has a high compressive strength with great abrasion resistance.

- High Stain and Abrasion Resistance
- Great for Kitchen Floors
- Great for interior and exterior application
