

FIFRA Section 2(ee) Recommendation

For Control of Spotted Lanternfly on Vegetables, Lawns, Ground Covers, Flowers, Shrubs, Trees, and
Around Homes in all states except CA and TX.

BioAdvanced Science-Based Solutions Vegetable & Garden Insect Spray Concentrate

EPA Reg. No. 92564-17

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Spotted Lanternfly, dilute liquid concentrate in water. For Pump-Style Sprayers, close sprayer, shake well and spray. Dial-Style Hose-End Sprayers: fill sprayer with enough concentrate to cover area to be treated. DO NOT ADD WATER. Close sprayer and set dial as recommended. Attach sprayer to hose and apply. Pour any unused product back into this original container.

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.

This Technical Information Bulletin expires on 12/31/2024.
