

COLDWORK™ HI-VIZ FASTFIT® E5-360

COLD WEATHER GLOVES

Quickly and efficiently work in cold and cut hazardous environments with the ColdWork™ Hi-Viz FastFit® E5-360. Critical cut protection and durable warmth are created by utilizing a 360° EN 388 Level E & ANSI A5 cut resistant liner and 3M Thinsulate™ Insulation. Stand out on the job with reflective ink and a hi-viz water-resistant SoftShell. A durable touchscreen capable polyurethane palm prevents the need to remove gloves after the temperature drops.

FEATURES

- 1 100g 3M Thinsulate™ Insulation on back of hand and 60g on the palm provides warmth without compromising dexterity.
- 2 High tensile strength liner provides 360° EN 388 Level E & ANSI A5 cut resistance.
- 3 Water resistant and wind proof hi-viz SoftShell helps with visibility while protecting hands from the elements.
- 4 Stretch-elastic cuffs create a secure fit.
- 5 Reflective print ensures added visibility.
- 6 Water resistant polyurethane grip palm.
- 7 Added palm padding helps reduce impacts and vibrations from tool use.
- 8 Touchscreen capable.
- 9 Removable spring clip keeps your gloves organized for easy storage.
