

AS-SPKR-24 MEDIUM SATELLITE SPEAKER MOUNTS

 **SALES** 866-839-9187

PRODUCT OVERVIEW

The Helios Medium Satellite Speaker Mount is designed to hold speakers up to 22 lbs and attach to the wall. It has a swivel and tilt feature to allow for adjustment without any required tools and cable management to keep wiring organized. The mount features a -20 to +20 degree tilt range and a 120 degree swivel range to allow the speaker to be adjusted for optimal sound positioning. This product is ideal for use in rear surround-sound speakers or other home audio systems requiring adjustable positioning.
