Essentials™ SX3

Lightweight and compact

for effortless everyday mobility

Introducing the new Essentials™ SX3

A reliable and robust manual wheelchair that ensures optimal comfort wherever you go.

Designed for ease of use and portability, the Essentials SX3 is ideal for everyday use. Swing-away footrests and flip-back desk arms facilitate easy transfers and flexibility for daily activities.

The durable build ensures you feel confident with a reliable drive every time. Customizable adjustments allow the Essentials SX3 to give a more personalized fit for optimal comfort.

Personalized Fit

Adjustable in seat depth by two inches and extendable footrests help to achieve a more personalized fit and comfortable seating position.

Maximum Comfort

Benefiting from a subtly padded backrest and seat, the Essentials SX3 allows you to immerse into the chair so you feel comfortable and well supported. Also easy to maintain in a wipeable vinyl finish.

Foldable & Compact

The lightweight frame and cross folding design helps to ensure folding is simple and effortless. Compact when folded also makes storage and transportation easy.

Black vinyl seat & back upholstery for easy cleaning

Flip-back armrests for easy transfer

Desk length armpad gives easier access up to and under tables

Seat depth adjusts by 2 inches for a more precise fit

Swing-away or elevating legrests
