

The TSS-LM-Arm o-o-1 from Novus includes a TSS column adapter, QuickRelease monitor mount, and a single-jointed LiftTEC<sup>®</sup> arm. With a range of 4.92", the TSS-LM-Arm allows for monitor rotation and tilt/turn angle with the QuickRelease monitor mount. Strong enough to hold from 18 to 33 pounds, the TSS-LM-Arm is a highly versatile, space-saving monitor support.

Available for TSS Column Mount, SlatWall Mount, or Wall Mount.
