

## LINK EXT40-4KECO.2

40m 4K30 HDMI Extender

### User Manual

Version: V1.0.0

# Thank you for purchasing this product

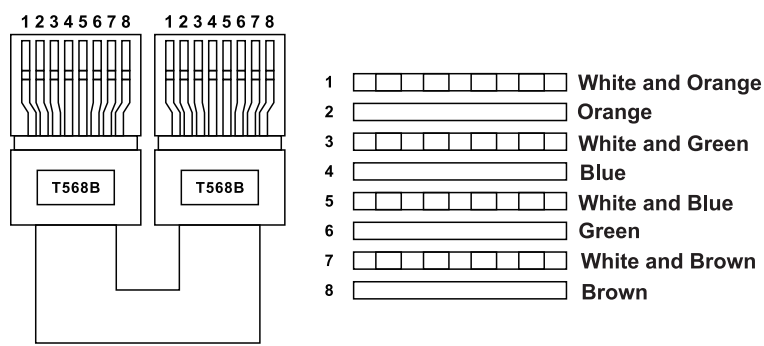

For optimum performance and safety, please read these instructions carefully before connecting, operating or adjusting this product. Please keep this manual for future reference.

## Surge protection device recommended

This product contains sensitive electrical components that may be damaged by electrical spikes, surges, electric shock, lighting strikes, etc. Use of surge protection systems is highly recommended in order to protect and extend the life of your equipment.

## Caution

The product requires the use of UTP connectors. Please connect in direct interconnection method and do not cross connect.

# Introduction

## Overview

This 4K30 HDMI Extender can extend HDMI high-definition signal up to 70m/230ft for 1080p, or 40m/131ft for 4K@30Hz over CAT6 cable, achieving zero-delay, long-distance transmission between the signal sources and display devices. This extender with HDMI loop output can be cascaded to the next extender, supporting resolution up to 4K@30Hz 4:4:4. It supports EDID copy function (you can choose local or remote EDID). 3D TV and PoC (Power over Cable) function are also supported. Audio formats are up to LPCM 7.1, Dolby True HD, DTS HD.

This multi-functional product can be widely applied in multimedia conference hall, TV teaching and large-screen display.

## Features

- Compliant with HDCP 1.4
- Video bandwidth is 10.2Gbps
- Video resolution is up to 4K2K@30Hz YUV 4:4:4
- Transmission distance over CAT6 cable:  
70m/230ft for 1080p, 40m/131ft for 4K@30Hz
- Support bi-directional PoC function and IR pass-through
- Audio formats is up to LPCM 7.1, Dolby True HD, DTS HD
- Advanced EDID management: built-in EDID and EDID copy pass-through between the signal sources and display devices
- Compact design for easy and flexible installation

## Package Contents

- 1× 4K30 HDMI Extender (TX)
- 1× 4K30 HDMI Extender (RX)
- 1× IR Blaster Cable (1.5m)
- 1× IR Wideband Receiver Cable (1.5m)
- 1× 12V/1A Locking Power Supply
- 1× User Manual

# Warrenty

All LINK products come with a 2-year limited liability warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified, or disassembled. Warranty items only by authorized resellers. Warranty not eligible for products purchased through non-authorized online sellers.

A product that fails under conditions other than those covered will be repaired at the current price of parts and labor in effect at the time of repair. Such repairs are warranted for 90 days from the date of reshipment to the buyer. If the unit is delivered by mail, customers agree to insure the unit or assume the risk of loss or damage in transit. Under no circumstances will a unit be accepted without a return authorization number. The warranty is in lieu of all other warranties expressed or implied, including without limitations, any other implied warranty or fitness or merchantability for any particular purpose, all of which are expressly disclaimed. Proof of sale may be required in order to claim warranty.
