

The improved SF 50/100 can now be attached directly to the ceiling with power tools. A large hole has been added to allow power driven screws and bolts access thru the bottom of the bracket.

FEATURES

- Use SF 50 for center hanging 2" tray, SF 100 for 4" tray.
- Fold-over tabs secure tray without additional hardware.
- Threaded rod, nuts and washers sold separately.
- Optional THRD 5/16".
- Can be attached directly to ceiling with power tools thru access holes.
