

WOOLITE® ACTIVE WEAR

Laundry Detergent

Woolite® Activewear/Hypoallergenic Laundry Detergent, is hypoallergenic, free of harsh chemicals, enzymes, dyes and artificial brighteners. Ideal for cleaning fabrics containing lycra, spandex, polyester and other mixed fabrics, while keeping colors bold and vivid. Particularly effective on athletic wear and other clothing vulnerable to sweat. The special formula prevents fading, shape loss, and fibre damage so fabrics last longer.

Features & Benefits

- Hypoallergenic formula.
- Ideal for apparel containing lycra, spandex, polyester & other mixed fabrics.
- Tough on sweat formula.
- Designed for standard and HE machines.
