

NON-SKID SLIPPERS

ITEM 2170-2173

Dynarex Non-Skid Slippers feature anti-skid rubber grips to help reduce the risk of patient falls. Made from soft terrycloth fabric, they provide warmth and comfort in clinical settings.

- Anti-slip surface with traction helps reduce the risk of falls
- Soft terrycloth fabric provides a comfortable fit
- Elastic band helps keep socks securely in place
- Available in color-coded sizes: S (Red), M (Sky Blue), L (Navy Blue), XL (White)
- Ideal for hospitals, long-term care facilities, and home care settings
- Not made with natural rubber latex
