CONSTRUCTION AND FEATURES

- Smooth, durable teak combines beauty with practicality.
- Constructed of the finest grade of Genuine Teak.*
- Teak has the natural ability to ward off fungi, mold and mildew.
- Unsurpassed quality and workmanship.
- Handcrafted and milled in the USA.
- Radius Teak Tray currently available for Halo tub model only.
- Contact MTI for ordering details and pricing on any custom teak tray.
- Teak is inherently slip-resistant.

*** Environmentally Responsible**

MTI uses only 100% legal, FEQ (First European Quality) sustainable teak lumber. The teak lumber used in MTI products is imported by reputable suppliers who meet and exceed all federal regulations.

Our suppliers are dedicated to complying with all international laws regarding labor and conservation concerns in harvesting of the trees.

All premium teak lumber used by MTI is harvested from responsibly managed forests and is not endangering or depleting the rain forests of the world.
