Glass Washers

Models: A-200 • SS-100

Winco Bar Maid™ electric commercial glass washer is the undisputed leader in commercial glass bar ware cleaning and sanitation. The high-performance brushes resist matting under aggressive use, yet quickly and easily remove dried wine, beer and lipstick. A wide variety of accessory brushes for tall glasses, pitchers and more are available to meet your wide range of washing needs. Driven by a powerful 1/3HP motor, our durable construction will serve your bar for years to come.

Main Features

- Powerful 1/3 HP Motor with thermal overload protection
- High-torque semi-crystalline thermoplastic gears for long life and aggressive use
- High durability thermoplastic brush bristles for aggressive cleaning and shape retention.
- Brush crown has thicker bristles to attack dried-on residue and retain shape
- High performance bronze bearings for long life
- High quality 304 Stainless steel base material resists chemical attack and discoloration
- Slip-resistant rubber feet for stability
- Upright A-200: front mounted on/off switch for easy operation with motor guard cover
- Submersible SS-100: remote mounted on/off switch for convenience
- Works with liquid and powdered detergents
- 2-Year Warranty
