J-Hooks, 1-Inch, 6-Pack

Klein J-Hooks provide an easy to install, non-continuous cable support for routing all types of low voltage cables. A great alternative to metal, the plastic J-Hooks have smooth, rounded edges to allow cables to easily traverse without damage to cable jackets and the lockable latch secures cables during pulls. The patent pending, pilot pins on the side of the J-Hooks help center screws for mounting. The J-Hooks are plenum rated for use in air-handling spaces and are UL2043 certified.

Specifications

Type:	Hooks	**Application:**	Cable Management
Special Features:	Lockable	**Color:**	Black
Mounting Location:	2-Point	**Mounting Type:**	Screw
Maximum Safe Load:	50 lb (22.7 k)	**Maximum Cable Diameter:**	1" (25.4 mm)
Material:	Polycarbonate	**Corrosion Resistant:**	Yes
Overall Length:	1.9" (4.8 cm)	**Overall Height:**	4.96" (12.6 cm)
Overall Width:	1.5 (3.8 cm)	**Included:**	6 Hooks
Weight:	1.9 oz (54 g)
