

Sensory Bin • Story Puppets

It's a beautiful day in the Neighborhood!

Join Daniel Tiger and his friends for hands-on sensory play and storytelling fun.

Slip two fingers through the character puppets to bring Daniel and his friends to life as you act out scenes, share feelings, and create kind and caring adventures of your own. Explore paths, build special places, and ride along with Trolley wherever you need to go. "Ding! Ding!"

Promotes
Sensory
Development

Encourages
Imagination

CARE AND SAFETY

- Children should be supervised during play - not suitable for children under 3.
- Prepare the area under the bin with a towel or table cover to collect any spills.
- Children should wash their hands before use.
- Sensory sand should be kept away from the eyes, nose and mouth. If contact should occur, rinse the area with water.
- Water and humidity will change the consistency of your sensory sand - add a bit of water or air dry as needed to return it to its original texture.
- Keep the sensory bin closed when not in use.

WARNING:
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Create the Neighborhood

Children will
need assistance
for this step.

Place the colorful clings around the sides of the bin to create Daniel Tiger's Neighborhood. **Tip:** If the colorful clings are hard to move, wipe the clings and bin with a damp cloth to remove sand.

Sand: Have an adult fill the bin with sensory sand. Spread out the sensory sand to create paths for Trolley and green grassy spaces. Use the felt pebblestones to design a path for Trolley to travel.

Play & Pretend

Use the finger puppets to move Daniel and his friends through the Neighborhood as you create your own stories.

Scoop, stamp, and build while engaging your senses and having fun!

Try This

- Press the Uggia Mugga stamp into the sand to leave friendly messages.
- Use the castle mold to build Prince Wednesday's castle.
- Place Tigey, Daniel's favorite stuffed animal, nearby to offer comfort on every adventure.
