

CALI[®] vinyl high tide

Aged Hickory

Welcome to Windansea

This classic collection is now presented with longer, wider planks to make rooms feel bigger and more spacious. Coastal-inspired colors offer understated, natural tones that complement any interior design. Planks feel as real as they look with specialized wood grain embossing that matches up with the knots and grains you see. Geared for commercial grade durability, High Tide planks are strengthened by a limestone composite core that resists indentation and makes for quick, easy installations. Attached acoustic padding lines each plank, improving sound insulation for quieter, more comfortable rooms.

Made for Healthy Homes

FloorScore certified and backed by a 50-year residential warranty, CALI Vinyl is made without toxic chemicals, making it safe for homes, hospitals, children, and pets.

Quieter, Cushioned Comfort

Each High Tide plank is lined with an attached acoustic underlayment which softens sound and makes the floors more comfortable to walk on.

Fear No Mess

All CALI Vinyl flooring is 100% waterproof and extra pet-friendly with a scratch-resistant wear layer – all of which makes for easy clean-ups in any room.
