

## CERVICAL COLLARS

Dynarex Cervical Collars are designed to help support the neck following sprains, strains, or mild muscle weakness. The contoured, serpentine design provides a comfortable fit, allowing the chin to rest naturally on the collar. Each collar includes an extension piece to accommodate larger sizes and an extra synthetic cover that is machine washable for easy maintenance.

- Supports the neck for sprains, strains, and mild muscle weakness
- Contoured, serpentine design provides comfort and allows the chin to rest on the collar
- Includes a 6" extension piece to accommodate larger sizes
- Comes with an extra synthetic cover that is machine washable
