

TRACHEOSTOMY SPONGES

Resp-O₂[™] Tracheostomy Drain Sponges are premium-quality sterile dressings designed with a convenient pre-cut T-shaped notch for a comfortable fit around trach tubes. These reliable, highly absorbent pads are designed to help keep patients dry and comfortable.

- Pre-cut notch saves time and eliminates need for scissors
- Packed in peel-down pouches for sanitary handling
- Pouches come in open trays for easy access
- Sterile, not made with natural rubber latex
