

# SV030X-2

Heavy Duty Cruiser Vest with X-Back

CSA Z96: CLASS 1, LEVEL 2

TYPE R / CLASS 2 -- ANSI/ISEA 107-2020

This Class 2 vest is a great combination of value and performance. The design is simple enough to ensure the vest is competitively priced for high volume applications. Added pockets ensure you can carry a few more tools while still having your hands free to do your work, including a back pocket that is large enough for construction plans.
