Folding Utility Knife With Blade Storage

Klein Tools' Folding Utility Knife with Blade Storage is crafted with precision from aluminum to stand out as the ultimate all-around knife in your bag. Its folding design ensures compact storage and effortless portability, while the intuitive side button release guarantees quick deployment. The blade locks in position at 135-Degree and 180-Degree positions for effortless cutting for every task. It is also equipped with a fold out blade storage compartment that comes pre-loaded with five extra blades.
