CRC Evapo-Rust

I. Product Description

Evapo-Rust® is a non-toxic rust remover for fast and effective restoration. The award-winning formula is specifically designed to remove rust, with no scrubbing or sanding required. It is safe, simple, and easy to use. No need for mixing, the solution is ready to use.

II. Features & Benefits

- Non-toxic, non-caustic & non-corrosive
- Powerful heavy-duty formula for even the toughest rust
- Reusable with long lasting efficacy
- No fumes or bad odours, non-flammable, no VOC's
- Will not harm unrusted steel, safe on other metals
- Will not affect plastic, PVC, Viton and non-oxide-based paints

III. Application Directions

Read Entire Label Before Use

1. Pre-clean item if it is dirty or oily
2. Rinse item thoroughly and completely immerse item in EVAPO-RUST®
3. Continue soaking until all rust has been removed, deeply rusted items will require extended soak times
4. Once rust is removed rinse item with water and dry, for larger items, water blasting give best results

If EVAPO-RUST® is used below 15°C cleaning times will be extended

CRC Evapo-Rust

General:
First Aid:

Swallowed – Give water to drink

Skin – Flush skin and hair with running water (and soap if available). Remove any adhering solids with industrial skin cleansing cream. DO NOT use solvents. Seek medical attention in the event of irritation.

Eyes – Immediately hold the eyelids apart and flush the eye continuously for at least 15 minutes with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids.
