HIGH-VISIBILITY IMPACT PROTECTION

Hi-Viz M-Pact® 2 work gloves protect working hands with full-coverage impact resistance and eye-catching luminance. The Hi-Viz M-Pact® 2 delivers updated protection to the fingers and knuckles and improved palm features that allow you to work smarter not harder. The M-Pact® 2 incorporates ARIAPRENE® COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles for enhanced protection against blunt force impact. A re-designed dual layer palm built with EVA foam padding and D30® Aero for protection and Padlock™ Silicone grip for increased durability and grip.

FEATURES

- 1 ARIAPRENE® COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles provides enhanced protection against blunt force impact and now meets CE Certification and ANSI Level 1.
- 2 Newly designed dual layer palm featuring 2mm EVA foam padding (palm) and 4mm D30® Aero (heel) for protection.
- 3 New Padlock™ Silicone grip palm and hot-stamped high traction texture across fingers.
- 4 Newly added TPR protection to thumb.
- 5 Dual layer fingertip reinforcements (fused internally) across all fingers for enhanced durability.
- 6 New wrist TPR patch delivers increased protection to the Ulna, reducing injuries.
- 7 100% Touch capable palm.
