

VersaSWEEP™

4-in-1 Magnetic Sweeper

WITH QUICK RELEASE

Versatility, Efficiency and Safety

Quickly and easily clean up hazardous ferrous metal debris from indoor and outdoor traffic areas to prevent costly injuries and repairs. Ideal for clearing large driveways, factories, trucking terminals, parking lots, construction sites, and much more. The VersaSWEEP™ 4-in-1 Magnetic Sweeper can be used in 4 configurations: tow it behind or hang it from any vehicle, mount it on a forklift, or push it to quickly clear smaller areas.

Adjustable sweeping height allows for efficient cleaning of varying sizes of debris, over any terrain, and in any weather condition. The quick-release function makes clean-up fast and safe. Just pull up the handle to immediately deposit the load for disposal. Minimal assembly required.
