LIDOCAINE PAIN RELIEF GEL PATCHES

BACK • SHOULDERS • NECK • KNEES • ELBOWS

WeCare Lidocaine Pain Relief Gel Patches are designed to provide temporary relief from minor muscle and joint pain. Each patch contains 4% lidocaine for fast-acting, numbing comfort. The self-adhering patches conform to the body's contours for secure placement and long-lasting wear. Odor-free and easy to apply, the patches offer up to 8 hours of continuous relief. Ideal for use at home, in clinics, and other care environments.
