

# REWSTAND

Eyewash Tank Stand

Durable metal construction and engineered bracing supports our 16-gallon tank full of water at the ANSI-required height for proper use, eliminating the need for tricky measurements to wall mount. Plus, it's easy to assemble in 5 minutes with included bolts and wing nuts – no tools necessary! An open front below the hung tank allows for easy use of a wastewater disposal container. The powder coated frame ensures a long life in harsh environments.
