## D-CERIN ADVANCED MOISTURIZING CREAM

3.75 OZ. TUBE

WeCare D-Cerin Advanced Moisturizing Cream is formulated to temporarily protect and relieve dry, chapped, or cracked skin. The advanced cream moisturizes very dry, flaky, compromised skin, while protecting it from the drying effects of wind and cold temperatures.

- \* Fragrance-free formula helps protect skin from the drying effects of wind and cold
- \* Designed to help moisturize and relieve extremely dry, chapped, or cracked skin
- \* Active ingredient petrolatum (33%) allows skin to breathe for a healthy glow
- \* 24 per case
