Black Diamond 36" Gas Range with Oven, 6 Burners, in Stainless Steel

BDGR-36-LPG

Optimize your kitchen's efficiency with this high-performance Black Diamond Gas Range, crafted for demanding culinary environments. Built with robust stainless steel and cast iron, it promises durability and reliability. This range features six burners, each contributing to a total output of 210,000 BTUs, perfect for high-demand cooking. It operates within a temperature range of 250° to 550°F, offering versatility. Manual ignition and control ensure precision, while maintenance is simplified with removable grids and a drip tray.

FEATURES AND CONSTRUCTION

- Crafted from stainless steel and cast iron for durability
- Powered by 210,000 BTUs for robust cooking performance
- Equipped with 6 burners for versatile cooking
- Features a spacious 36-inch design
- Includes four adjustable legs for stability
- Comes with a coupling adaptor and gas connection for liquid propane
- Manual ignition and control type for easy use
- Maintains temperatures from 250° to 550°F
- Drip tray included for easy cleaning
