Recommended Use

Groove Glass may be used for interior walls in wet or dry locations and exterior covered walls. Groove Glass mosaics may be used in vertical swimming pool applications, along the water line only.

Care and Maintenance

Regular cleaning is the best way to keep Groove Glass tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Our Warranty

Crossville's products will meet or exceed the performance specifications outlined in ANSI A137.1-2012 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.
