

Spontex Dishmop Refills are strong and long lasting. Thanks to their anti-grease technology, the scourers don't retain grease and stay cleaner and efficient for longer. They are ideal for all your daily washing up.

DID YOU KNOW?

The refills are easy to **replace**: simply remove the current head by gently pressing the clip on the underside of the handle and then slide the new refill into place.

When it comes to the environment, at Spontex we don't throw in the sponge!

*100% of the fibres used in the scouring part of our Dishmop Refills are recycled and the refill clips are made using recyclable plastic. This packaging is fully recyclable.

TOP TIP: These multipurpose refills are great for washing up but are also handy for cleaning oven racks, grill pans and BBQs.

USAGE GUIDELINES: Always rinse thoroughly before and after each use. Test on an inconspicuous area of the surface to be cleaned before use. Do not use on non-stick pans or delicate surfaces. Only use in water under 40°C. Do not use with bleach or aggressive detergents.

Spontex products are designed and tested to high standards.
