Plant 'n Play

Olaf Garden Planter

Let's Get Growing!

1. Prepare Olaf

- With adult assistance, carefully cut out the Snowflake play mat on the side of the box.
- Set the play mat aside for later.

2. Set Up Your Garden.

- Place the planting tray into the top of Olaf's head.
- Put the compressed grow pellet into the tray.
- Slowly add 2 tablespoons (30 mL) of water. Add more water as needed. Allow the pellet to expand.
- Ask an adult for assistance to use scissors to open the top of the pellet as needed.

3. Plant Your Seeds

- Wait until the grow pellet has fully expanded.
- Sprinkle a small amount of chia seeds evenly over the surface.

Tip: Do not use too many seeds at once, or it will inhibit growth. Save extra seeds for a future planting.
