TECHNICAL INFORMATION

V2 Slight Variation

Clearly distinguishable differences in texture and/or pattern within similar colors.

Ready Ship

Recommend offset pattern $\leq 33\%$

1/3 offset is now the prevailing recommendation from the Tile Council of North America 2011 for ALL tile 18" or longer.

Stock

Water Absorption:
 $< 3\%$ - $< 20\%$

Water absorption $< 3\%$ - $< 20\%$

Contains Recycled Content

Post-consumer, Pre-consumer recycled materials

DCOF: ≥ 0.42

DCOF ≥ 0.42 floor tile. Wall tile not applicable .

Made in USA

Made in Mexico

	FLOOR	WALL	COUNTERTOP	EXTERIOR FLOOR	SHOWER FLOOR
RECOMMENDED	●	●	●		●
NOT RECOMMENDED				●	

CARE AND MAINTENANCE

CERAMIC CARE & MAINTENANCE

Glazed tile products should be cleaned routinely with an all-purpose, low VOC, household or commercial cleaner. The product chosen should also be grout joint cleaning compatible. The type of product may vary depending on the tile application and use. A multipurpose spray cleaner, which removes soap scum, hard water deposits and mildew designed for everyday use can be used on wall tile areas in residential baths and showers. A cotton mop, cloth, sponge, or non-metallic brush should be used to apply and agitate cleaner. Rinse the area with clean water and dry thoroughly. Routine cleaners should never contain harsh chemicals as these can damage tile. Acids can damage grout and the glazed surface of the tile. Ammonia can discolor grout.

Regular dust mopping, sweeping, or vacuuming is recommended prior to cleaning with liquid products.

Unglazed tile should be cleaned routinely with concentrated tile cleaners with a neutral pH for safe regular use. These cleaners are better suited for removing grease, oils, and normal spills from unglazed products. Again, these products will vary depending on the application, amount of traffic and the use. The product chosen should also be compatible with the grout.

VIRGINIATILE

Design that shapes living.

Good design is born of creativity and imagination, but as we build and renovate, update and expand, the materials we select will define the quality of the spaces we live in beyond what meets the eye.
