

DURAHIDE® M-PACT INSULATED DRIVER F9-360

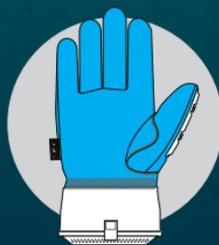

COLD WEATHER HAND PROTECTION

Winter work is no match for our DuraHide® M-Pact® Insulated Driver with F9-360 cut protection. Stay one step ahead of the cold with PrimaLoft® 100g Gold performance insulation to trap warm air and regulate your body temperature in freezing conditions. The DuraHide® M-Pact® Insulated Driver features our proprietary DuraHide® Resist™ leather and internal HPPE liner to protect working hands with EN 388: 2016 Level F & ANSI A9 cut resistance. When the going gets rough, we incorporated an anatomical Thermoplastic Rubber (TPR) exoskeleton that meets EN 13594 & ANSI I38 Level 2 rated impact standards.

PERFORMANCE INSULATION

PrimaLoft® 100g Gold performance insulation.

CUT RESISTANT

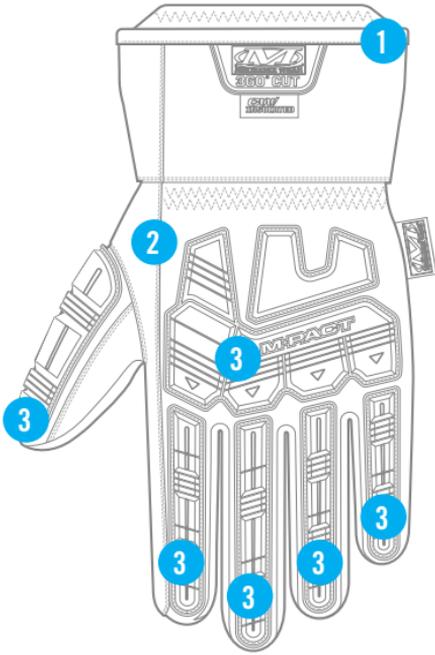

HPPE liner and DuraHide® Resist™ leather provide EN 388: 2016 Level F & ANSI A9 cut resistance.
