CONTENTS:

80 Cards & Instructions; Dry Erase Board and Marker

OBJECT:

Be the first team to correctly guess one card from each of the four categories.

Draw It: Sketch the clue without talking.

Act It Out: Mime the clue, no words or sounds.

Finish the Song: Sing the beginning of a holiday lyric and teammates must sing the next line.

Tell a Joke: Read the joke set-up, teammates must guess the punchline by filling in the blank(s).

SET UP:

1. Divide into 2 teams.
2. Sort the cards into 4 piles by category.
3. Place the dry erase board and pen nearby for the **Draw It** category.
4. The team with the oldest player goes first.

HOW TO PLAY:

- On your team's turn, choose a category that your team has

not yet completed.

- Choose one teammate to be the "performer" for that round. Each card has two options for the performer to choose from.
- Start a 1-minute timer (*or use any timing method*).
- The performer follows the rules for the category to get their team to guess the card.
 - **Draw It:** Use the dry erase board and pen to draw—no letters, numbers, or symbols.
 - **Act It Out:** Use only gestures and movement—no sounds or talking. There are four categories in Act It Out. Performers should announce the category first.
- **Finish the Song:** Read/sing the prompt lyric provided; teammates must complete the next line correctly.
- **Tell a Joke:** Read the joke aloud; teammates try to guess the correct punchline by filling in the blanks.
- If your team guesses correctly within one minute, you keep the card.
- If not, return the card to the bottom of the pile.
- Then it's the next team's turn!

WINNING THE GAME:

The first team to collect one card from each of the four categories wins!
