

## Tub Rails

DME Care Solutions Tub Rails offer reliable support for individuals entering or exiting the bath. Each rail installs easily without tools, attaches securely to most tubs, and includes non-wearing rubber pads to help protect surfaces from damage. Ideal for use in both home care and professional care environments.

- Provides a safe, comfortable grip for entering or exiting the bathtub
- Locking clamp adjusts to fit the width of most tubs
- Tool-free installation allows for quick, hassle-free setup
- Non-wearing rubber pads help protect tubs from scratches or dents
- Comes in retail-friendly packaging
- Weight capacity 300 lb.
- Limited Lifetime Warranty
