STEP 1.

Place a Bumper (P14) on either side of the pre-assembled Player Rods. Be sure to insert Rods into the Side Panels (P1) in the correct order as shown in Figure 1.1. After inserting each Player rod in one Side Panel (P1), position the other Side Panel (P1) before placing the Playing Field (P3) between the Side panels.

STEP 2.

Anchor the Playing Field (P3) using Support Brace (P5) and Support Rod (P6) as shown in figure 2.1. Once the Support Braces are in place, secure the playing field using Screws (H8) as shown in Figure 2.2. Attach the End Panel (P2) to the Side Panel (P1) also shown in figure 2.2 and secure them using Bolt (H3) and Washer (H4).

STEP 3.

Attach the Legs (P4) using Bolt (H1) and Washer (H2). Attach the Goal (P11) and Ball Catcher (P10) using Screw (H5) as seen in Figure 3.1. Once secured, add the ball runner and the goal system is complete. Two adults should now turn the table over onto its legs before attaching the Slide Scorer (P15) using Screw (H7), the Cup Holder (P13) and Ball Entry using Screw (H6). Once you have attached the Handles (P7), you are ready to play.
