Black Diamond Full-Height Proofing and Holding Cabinet, 36 Pan Capacity, in Silver

BDPW36F

The Black Diamond full-height proofing and holding cabinet is designed to deliver consistent proofing and reliable hot holding for bakeries, restaurants, and foodservice operations. With a capacity of 36 standard 18" x 26" sheet pans, this freestanding unit features durable aluminum and PC construction for long life and easy cleaning. User-friendly knob controls, dual temperature and humidity settings, and efficient heating technology enable precise product management and optimal results. Equipped with 5" heavy-duty casters and protective corner bumpers, the cabinet is easy to maneuver in busy kitchens. This unit is covered by a manufacturer's warranty, ensuring dependable service and operational peace of mind.

FEATURES AND CONSTRUCTION

- Constructed of heavy-duty aluminum and polycarbonate for durability and easy cleaning
- Energy-efficient 1440-watt electric heating system delivers rapid and consistent proofing and holding performance
- Accommodates 36 full-size 18" x 26" sheet pans for maximum capacity
- User-friendly knob controls allow straightforward operation and precise adjustments
- Operates with a standard NEMA 5-15 plug on single-phase 120V electric power
- Freestanding design enables flexible placement and easy mobility in any commercial kitchen
- Simple knob-operated controls with dual temperature and humidity settings support various recipes
- Temperature range from 86°F to 203°F for consistent food holding and proofing
- Cabinet measures 67.7"H x 23"W x 33"D for full-size kitchen integration
