GE® 21 Cu. Ft. Garage Ready Top Freezer Refrigerator

Features and Benefits

Extra-Large Storage Capacity - Enjoy 21 cu. ft. of extra-large storage capacity in a refrigerator that fits a 30" wide cabinet opening. Ideal for storing large grocery hauls and giving busy households the space they rely on.

Garage Ready - Tested to perform in environments from 38°F to 110°F, this top-freezer refrigerator delivers consistent cooling and reliable performance in spaces with fluctuating temperatures, like garages or basements.

Bright LED Lighting - LED lighting fills both the fresh food and freezer compartments with bright, crisp light, making it easy to find even the smallest items—no more digging in the dark.

Icemaker Ready - Optional IM4D icemaker (sold separately) eliminates the need to fill ice trays, so you always have a steady ice supply on hand.

Extra-Large Adjustable Door Bins - Two full-width, extra-large door bins provide ample space for gallon jugs, tall 2-liter bottles, and everyday essentials. The fridge door bin adjusts up or down to accommodate taller items.

Adjustable Glass Fresh Food Shelves - Two adjustable glass shelves in the fresh food section offer flexible storage to easily fit tall or bulky items.

Adjustable Glass Freezer Shelf - An adjustable glass shelf in the freezer lets you customize the space to fit your favorite frozen foods.

Sliding Deli Drawer - A convenient sliding deli drawer glides side-to-side, giving you flexible storage for meats, cheeses, and snacks without rearranging the rest of your fridge.

Can / Condiment Storage - Dedicated can/condiment door storage keeps your favorite drinks, condiments, and small items organized and within reach.

MultiVent Cooling - Multiple vents distribute air flow to help keep set temperatures consistent.

Reversible Doors - Offer installation flexibility, allowing for either a right-hand or left-hand door swing to best fit your space.
