**Warranty:** Visit our website for product specific warranty information at:  
[www.ecr4kids.com](http://www.ecr4kids.com)

## Table Assembly Tips

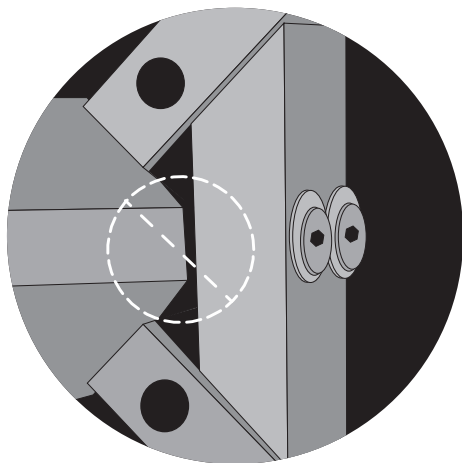

The use of 1 washer and 1 locking washer per screw are required for proper assembly.

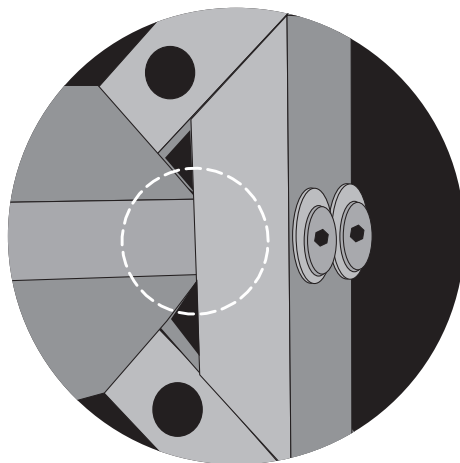

When beginning assembly you will notice a slight gap between the table legs and the table frame. Screws must be fully tightened to eliminate this gap.

**TIGHTEN SCREWS COMPLETELY AND VERIFY THERE IS NO GAP BETWEEN LEGS AND FRAME BEFORE FINISHING ASSEMBLY.**

Legs must be flush and screwed in completely to extend the life of the product.

Improper Assembly  
Gap between leg and brace.

Proper Assembly  
No gap between leg and brace.

Screws should be checked regularly to ensure tightness, especially after moving table.

## WARNING:

- Two adults recommended for assembly.
- Adult supervision required at all times.
- Small parts and sharp points may be present prior to assembly.
- Never pull the table by the legs or top. ALWAYS pick table up to move.
- Do not stand, kneel, climb, lean or pull on unit for support.
- Adult supervision required at all times. Never leave children unattended.
- Do not place unit near high heat or moisture.

## Care & Cleaning

**Cleaning:** Use a clean damp cloth or sponge with mild soap, non-bleach detergent or general purpose cleaner. Abrasive cleaners or powders should not be used as they may permanently dull or scratch the surface. Note that bleach or anti-bacterial formulas may damage the finish. Wipe dry thoroughly. Do not place near heat, moisture or vaporizer which may cause wood to warp and peel.

**Care:** Check for loose or worn parts regularly and tighten or replace as needed.
