

Beauty 101

How do you know when it's time to get a new perfume bottle?

It's time to get a new perfume bottle when you notice the following signs:

1. The bottle is old.

Perfume bottles are made of glass and can become cloudy or discolored over time.

2. The bottle is leaking.
If you notice a small amount of perfume leaking out of the bottle, it's time to get a new one.

3. The bottle is broken.
If the bottle is cracked or broken, it's time to get a new one.

4. The bottle is empty.
If the bottle is empty, it's time to get a new one.

5. The bottle is dirty.
If the bottle is dirty, it's time to get a new one.

6. The bottle is old-fashioned.
If the bottle is old-fashioned, it's time to get a new one.

7. The bottle is broken.
If the bottle is broken, it's time to get a new one.

8. The bottle is empty.
If the bottle is empty, it's time to get a new one.

9. The bottle is dirty.
If the bottle is dirty, it's time to get a new one.

10. The bottle is old-fashioned.
If the bottle is old-fashioned, it's time to get a new one.
