

# **Salter Recycled Bake Tray 2 Pack - Grs**

**BW14266**

Please retain instructions for future reference.

## **Care and use**

Our ovenware is designed for domestic oven use only, and should not be used at temperatures exceeding 220°C or Gas Mark 7. To maintain the quality and safety of your ovenware, avoid using metal utensils and never leave the product unattended while in use. After use, always allow the ovenware to cool before cleaning. We recommend hand-washing with a mild detergent and a nonabrasive sponge, followed by a thorough rinse and drying. When handling hot ovenware, always use heat-resistant oven gloves, and take care not to expose hot ovenware to cold liquid to prevent thermal shock. If you notice any damage to the ovenware, please dispose of it carefully to ensure your safety.
